

Child Care Nutrition and Physical Activity Policies

In an effort to provide the best possible nutrition and physical activity environment for the children in our facility, we have adopted the following policies. The administration and staff appreciate support from the parents in promoting the health of our children.

NUTRITION:

Fruits and vegetables

- We offer fruit to children at least 2 times a day
- We only offer fruit canned in its own juice (no syrup), fresh or frozen.
- We offer vegetables to children at least 2 times a day.
- We only offer vegetables steamed, boiled, roasted or lightly stir-fried with little added fat.

Meats, Fats, and Grains

- We offer fried or pre-fried (frozen and breaded) meats (chicken nuggets) or fish (fish sticks) once a week or less.
- We offer fried or pre-fried potatoes (French fries, tater tots, hash browns) once a week or less.
- We offer high fat meats like sausage, bacon, hotdogs, or bologna once a week or less.
- We offer beans, or lean meats at least once a day.
- We offer high fiber, whole grain foods at least 2X a day.
- We offer sweets or salty foods less than once a week or never.

Beverages

- We make drinking water freely available so children can serve themselves both inside and outdoors.
- We rarely offer sweetened drinks other than 100% juice.
- We serve only 1% skim milk to children age 2 or older
- We do not have soda or other vending machines on site.

Menus and Variety

- We have 3 week (or greater) cycle menu that allows for seasonal changes.
- Our menus include healthy items from a variety of cultures.
- Our menus include a combination of new and familiar foods.

Feeding Practices

- Our staff helps children determine if they are full before removing their plate.
- Our staff helps children determine if they are hungry before serving additional food.
- Our staff gently and positively encourages children to try a new or less favorite food.
- We do not use food to encourage positive behavior.

Foods Offered Outside of Regular Meals and Snacks

- We provide and enforce written guidelines for healthier food brought in and served for holidays and celebrations (see below).
- We celebrate holidays with mostly healthy foods and non-food treats.
- Our fundraising efforts consist of selling non-food items only.

Supporting Healthy Eating

- Our staff joins children at the table for meal times.
- We always serve meals family style.
- Our staff always consumes the same foods in front of the children.
- Our staff rarely eats less healthy foods in front of the children.
- We provide visible support for good nutrition in 2 to 5 year old classrooms and common areas through use of posters, pictures, and displayed books.
- Our staff often talk informally with the children about trying and enjoying healthy foods.

Nutrition Education for Staff, Children, and Parents

- We Provide training opportunities for staff on nutrition (other than food safety and food programs guidelines) 2X a year or more.
- We provide teacher-directed nutrition education to the children, through a standardized curriculum, 1X a week or more.
- We provide nutrition education to parents 2X per year or more.

PHYSICAL ACTIVITY

Active Play and Inactive Time

- We provide at least 120 minutes of active play time to all children each day.
- We provide opportunities for outdoor play 2 or more times per day.
- We ensure that children are rarely seated for periods of more than 30 minutes.
- We do not withhold active play time for children who misbehave, instead, we provide additional active play time for good behavior.
- We rarely show television and videos.
